The Lapfox Trax Crew had been invited for camping by Renard, whom had a big place on the woods, enough for most of the aliases to go to, and Jackal, Rotteen, Emoticon, Darius, EUGENE, Truxton, RQ , TQBF and Bandetto were gonna go to this camp.

They had agreed into sharing tents by whoever had em.Once they finished up setting up the tents, all the aliases sat around a big bonfire, to have some fun, chat and eat.

The first one to talk was Renard, who noticed Jackal and The Quick Brown Fox were missing.

"Have you guys seen Jackal and the fox?" Renard asks, but nobody knew where they were, and they all looked around, except for Darius, that looked down to the floor.

"Dar, Do you know anything?" Renard asks, and Darius was about to open his mouth, when a loud, high-pitched screech was heard from the woods.

"Yo, that's TQBF" Bandetto says. "He always screeches like that when i fu-"

"No need to get TMI. Let's get up and search him" Renard says.

"Don't." Darius says. "They'll be back!"

"And how do you know that?" Emoticon asks.

"Look, I'm not allowed to talk about it." Dar says. "Ren, can I speak to you in private for a minute?"

"Of course" Renard says, getting up from the chair he was sitting on, Darius does the same, and they both go inside the house (nobody actually slept at the house, it was for keeping food and stuff)

"Look.. Jackal and TQBF.. are fucking." Darius said, flustered.

"They're doing WHAT now" Renard said.

"Yeah, it's been a secret of theirs for months, and today just happened to match with their schedule" Darius said.

"How do you know this?" Renard said.

"It's.. private." Darius said "But I trust you enough."

"Look, last year I used to be his fucking-bud" Darius said.

"How does nobody know about this?" Ren said.

"Because he keeps it well hidden.. It's his secret, that's why Jackal doesn't talk openly about his kinks.. but I know them all." Darius says. "You get to know them after you talk to him to be his.. y'know.

He's been doing this for years, but I only know this because he's been interchanging between me and TQBF every year.

You see, Jackal got quite specific at what he wanted, plus.. you know, he's some sort of a 'nazi' or something, i don't know. The thing is, we agreed to this because we were both.. needy.TQBF started it, he asked Jackal once if he could fuck him. They were both at the LapFox 10th Anniversary Party, drunk as hell. I couldn't stop him since I was back at Emoticon's place..He told me that Jackal fucked amazingly and that he had an, err.. a big dick or whatever.Anyways, TQBF introduced me to Jackal's 'services' and ended up getting hooked. J got out of it pretty recently.."

"Wow. That's an.. interesting story" Renard says.

"I know. Jack likes to be pretty verbal when it's about what he likes, what he's gonna do.. that type of stuff. And TQBF loves that as well." Darius says. "By this time they should be back though, why don't we.."Darius said, but was interrupted by Renard putting his paw on Dar's mouth, muting him.

"Darius.. I think I have a.. problem" Renard said, his voice sounding way more soft and breathy than normal.

"What is it?" Darius asked.

"Look down." Renard said. "This story shouldn't excite me this much, and I.. I couldn't help it"

"Well, err.. Woah." Darius said, starting to get a little worn out by this encounter.

"Dar, can you help me out?" Renard asked, taking Dar's wrist, and placing Darius's hand in his crotch.
"It's just gonna be a quick one.. Nobody's watching and it's dark in here.. Please."

Darius seemed hesitant at first, was he really gonna just fuck everything and help Ren out? After all, they were just friends.

"I.. Okay, I'll do it. But with one condition. Please forget what I just told you. Jackal wants this a secret.. you wouldn't get it spread around, right?~"

Darius said, with a hint of lust in his words, sliding his hand down Renard's pants, placing his hand around Renard's crotch.Renard sat on one of the kitchen counters, dragging Darius closer to him, with his hands around Darius's hips.

Renard closed the gap between their faces, as he gives Darius a small kiss, and Darius doesn't seem to mind, as he sums deep into the kiss, and they soon start making out.Darius separates

for a second from Renard, just to slide Ren's pants and underwear off, making him feel all weird inside.

"So.. You have three options." Darius says. "What do you want me to do?"

"I- Is it wrong if I ask you to.." Renard mutters.

"Do this?" Darius says, quickly sliding his pair of shorts off, and climbing on top of Renard.

"... Do that. Will you let me do this?" Renard said.

"We're already this far. Why stop now?" Darius said, licking both of his paws, and wetting Renard's dick as some form of lube.

Darius didn't hesitate, and slowly entered Renard inside of him.Renard looked to the side, he had been wanting this for a long time now.

"Ah- Hold up.. Let me get used to this.." Darius said as he cock-warmed Renard.He slowly moved his hips around, slowly going up and down, to get used to it.
A minute later or so, he started going up and down, and Renard started moving his hips as well.

"Ah, this actually feels.. quite great" said Darius in a mix of talking and moaning, resting his head on Renard's shoulder, as Ren thrusted into the other.

As his rhythm accelerated, the outside world seemed to fade away.

Darius put his head up, starting to kiss the other, while he thrusted faster into his hole.

Suddenly a female voice could be heard.

"...!"

"...uys..."

"..GUYS!!"

Both Renard and Darius stopped his movements and looked around. Lights were on and the whole crew stared with blank expressions.

"What the fuck?" Rotteen said, Darius climbing off Renard's lap, quickly covering their crotches with some clothes they left thrown near.

"No.. It's okay. Continue.. just.. explain this shit, please." Rotteen said as she shoo'd everyone else off the shack.

"Okay.." Renard said. "Darius needed to tell me what happened about Jackal and TQBF and.. I accidentally got aroused by it. I asked Darius to give me a quick handjob, but it scalated

quickly and we're here now."

"Why couldn't you get off by yourself?" Rotteen said.

"Look, we were both in the dark, and.. We both were aroused enough.. And I had been needing this for a while. That's it." Renard said.

"Fair enough. Did you go soft or not yet?" Rotteen said.

"Not really." Renard said, looking down to check.

"Okay. You guys have fun." Rotteen said, leaving the shack and turning off the lights.

"You still up for this?" Renard said.

"Anytime." Darius said, climbing on top of him, grinding against Renard's crotch to pump him up again, before placing his "friend's" dick inside of him.

Renard thrusted into Darius quickly, he knew not a lot was left until he came.

He grabbed both sides of Darius's hips, and the only thing Darius could do was moanand kiss Renard's neck.

Sucking and biting Renard's neck, the other mentioned took sighed heavily in pleasure, while Darius sucked on his neck, leaving him a pretty remarked love bite.

"Darius.. Can you- Can you keep that up? I'm close" Renard said, and Darius started sucking on other spots of Ren's neck, leaving him marked up.

"Oh, I'm.. Darius I'm about to-" He said as he dug his nails deep into the other's hips, cumming inside the other.

Darius let Ren's dick out of him, as cum dripped out from his hole.

"That was amazing.." Darius said, still catching his breaths.

Renard rested his body against one of the walls, his legs shaking, as well as Darius's.

Darius stands up.

Picking some toilet roll and cleaning himself up, climbing up to one of the counters and sitting next to Renard, resting his head on Renard's shoulder.

"I love you." Darius whispers.

Renard takes Darius's hand, and holds it."Me too." Renard whispers back, stroking Darius's hand with his thumb.

"Wanna, err.. date or something?" Renard asks, curious.

"Oh I don't know.... Of course, silly ass." Darius says, giving him a gentle kiss on the cheek.

"It's official, then." Renard says. "By the way.. What time is it?"

"2:10 AM." Darius replies, looking at his watch.

"Shit, we've been here for over an hour.. I wonder what they'll tell us once we go out of here." Renard says.

"We gotta find out, then." Darius says, standing up, picking his clothes up and dressing up, then picking up Renard's clothes and handing them to Ren.

"I love you." Darius says once more, before kissing Ren sweetly. "Let's go out."

Both boys went out of the shack, with their fur spiked up and kind of all-over-the-place. They all replied with a surprised screech, their eyes following Ren and Darius as they sat next to Rotteen.They all stared awkwardly at each other for like 10 seconds until Emoticon decides to break the ice.

"So.. how was it?" He asks. Both boys state at each other, too embarrassed to answer that question. Renard and Darius looked at each other dead in the eye, looking for a reply, until Rotteen replied for them.

"That's none of your business, Emoticon." The boys looked at Rotteen in relief, and she smiled back.

After deciding to leave the topic, they started talking about other stuff. How were their last vacations, if they were enjoying this so far, etc..

And then Renard noticed that Rotteen kept an eye on him, and stared at him the whole time, and Ren asked Rotteen.

"What's going on?" Renard whispered to Rotteen once he caught her up eyeing him. She got closer to him and whispered.

"I think nobody has noticed this but your neck is full of hickeys"

"Oh, fuck" Renard said, then he got close to Darius, and he whispered as well.

"Dude, Rotteen just told me I'm covered in hickeys"

"You literally asked for more in the moment.."

"If you keep acting up I'll have to act on it and mark my territory even more" Darius whispered, and then went back to the conversation everyone was having.. And Renard was doomed.

He looked down. Something was growing back again.

"Excuse me.." Renard said, as he ran off to the bathroom.

Once in the bathroom, he closed the door and sat on the toilet."What am I gonna do..? This boy has got me good."

Sitting down, he slides his pants down, wrapping his hands around his dick, quickly moving it up and down as he had pre-cum already, making his hand easier to slide.

"I'm such a fool.." He mutters, speeding up his pace, one hand against a wall as he had nothing else to grip on.

Suddenly the door knob moves down, and Renard has only time to cover his crotch with his shirt, and yelling "Hey, it's occupied!"

But to his surprise, he was greeted with a familiar voice.

"What are you doing here?" The guy says.

"Did you get hard because of what I told you?"
"Shit, Darius, you scared me." Renard says, and Darius locks the door, and gets closer to him.

"I wasn't joking when I said I'd mark you up if you kept acting up." Darius said, kneeling in front of him, and wrapping his hand around Renard's dick.

"Dar, please.. I can take care of this.." Renard said, flustered.

"No, if you could you wouldn't have gotten hard because of what I said." Darius said.

"Please.. Let me take care of this and.. let's just go to sleep." Renard pleaded.

"I said no." Darius said.

"And I said yes." Renard said quickly taking the lead by taking Darius's wrists and pinning him up to the wall. "Wanna act dominant? Prove it"

Darius couldn't let go of Renard's tight grip.

"That's what I thought. Now get on your knees." Renard ordered Darius. He did as told.

"You're gonna help me take this out, and then we're gonna pretend nothing happened." Renard said.

Darius did as promised, and got the other's dick in his mouth, Renard grabbing Darius's hair and forcing him to take his dick even deeper in his throat, which made Darius gag a little.

Soon Darius was sucking him off as Renard gripped Darius's hair tightly, controlling every movement he had.

"I'm gonna fucking.." Renard said, gripping Darius's face with his both hands, and making his mouth taste every inch of Renard's cock.

"Thank you, love." Renard took Darius by his shirt, kissing him roughly, and then letting him go.

"Y- You're welcome." Darius said, while swallowing Renard's sperm, then opening the faucet to brush his teeth.

Both boys came out of the bathroom together.

"You both were taking a while in there." Rotteen appeared out of nowhere.

"Stop following us!" Darius mocked, annoyed.

"No." Rotteen said, and then walked away.

"Sorry for trying to tease you." Darius apologized.
"It's okay. I found it quite appealing, actually." Renard said.

"So.. Wanna call this a night and sleep?" Darius said.

"Deal." Renard replied.They both held hands, went outside, shouted "Good night!", and then went into their respective tents. Falling asleep on each other's arms.
